Nuts & Confections

At High Desert - Finnottes, the traditions of Fine Quality, Excellent Service, Affordability, and 100% Product Satisfaction continue so that you can be assured of giving a gift of distinction.

Dear Friends:

Welcome to the world of fine nuts and chocolates. Whether you're looking for choice premium mixed nuts, colossal cashews or the most succulent chocolates, Finnottes has exactly what you're looking for. Not only do we offer an excellent variety but we also offer several sizes to choose from. So no matter what your needs are, we're here to make sure you're taken care of in the most professional manner yet by the most personal of means. Indeed, we are here just for you.

2009 has been and continues to be challenging. With all that has been affecting our economy, Finnottes has been tested to bring you our high quality products at reasonable costs. To maintain our high quality and pricing at reasonable levels, we have adjusted some of the products weights. This small decrease in weight in no way diminishes the overall appearance of the product. To further keep costs down we have decided not to reprint our catalog, so while looking over the price list and the color catalogue, the weights on this price list will be the correct weights. **Your cost remains the same as in 2008 for all products.**

In light of these measures we hope to help you with your entire gift giving needs as well as those for your own pleasure. We have continued to demand excellence from our suppliers so that you in turn receive the highest quality products. If you have any special needs, please don't hesitate to contact us.

Wishing you the best this season and into the new year,

The Finn Family
